

# Business Discussion Questions

---

## Jobs & Career

1. What matters most in a job — money, enjoying your work, or what else?
2. How do we find a good job? Apps, referrals, job fairs, or any other way?
3. What helps people get a good job — a degree, real skills, work experience, or anything else?
4. How do people get a promotion — hard work, good relationships, or any other way?

## Company & Workplace

1. What company do you want to work for — a big one, a small one, or another kind?
2. What makes a meeting useful — a clear goal, a short time, the right people, or any other ideas?
3. What helps a company react fast — small teams, good leaders, or what else?

## Work-Life Balance

1. How can people balance work and family — flexible hours, family help, or what else?
2. What is the best way to show you work hard — long hours, good ideas, or what else?
3. How do you deal with work messages after work — reply right away, wait, or ignore them?

## Technology & the Future of Work

1. What will work look like — home offices, big offices, or something completely different?
2. How will AI change work — help us, take our jobs, or both?

## Sales & Customers

1. How should companies sell — on WeChat, on live-streaming, in shops, or somewhere else?
2. Who is a salesperson — the sales team, customer service, delivery riders, or everyone?
3. What do good salespeople need — product knowledge, a friendly manner, or any other skills?

## Business Ethics & Fairness

1. What should customers do about cheating companies — complain, stop buying, or post online?
2. When is it OK for a company to pay less tax — never, in hard times, or any other time?
3. How is work different for men and women — pay, promotions, job types, or anything else?
