Discussion

What factors do you consider when you choose a brand?

Why are some brands much more expensive than others?

Have you ever switched brands after a bad experience?

Would you pay more for a Chinese brand, or a foreign one?

Do you buy the same brands as your parents? Why or why not?

Which brand has the best ads in China right now?

Have you ever bought a knockoff or a dupe 平替? Was it worth it?

Which Chinese brand do you think could go global next?
