

Let's Talk About Home

Your Place

1. What kind of place do you live in — an apartment, a house, or something else?
2. How many rooms are there, and what do you use each one for?
3. Which room do you spend the most time in?
4. What do you like most about your place, and what drives you crazy about it?
5. How would you describe your home to someone who has never been there?
6. What are your home essentials — the stuff you could not live without?

Furniture and Secondhand

1. Do you have a lot of furniture? What is the biggest thing in your place?
2. When you buy furniture, what do you look for: comfort, price, or looks?
3. Where do you usually buy furniture — online, in a store, or secondhand?
4. Have you ever bought used furniture on Xianyu or from a stranger online? How did it go?
5. Would you buy a used sofa from someone you do not know? Why or why not?
6. Do you prefer furniture that is already put together, or the flat-pack kind you build yourself?
7. Have you ever sold things you did not want anymore — clothes, a phone, old furniture?

Decor and Style

1. Who picked most of the furniture in your home?
2. What colors are your walls and your big pieces? Did you choose them?
3. How much thought have you put into how your place looks?
4. Are you a minimalist, or do you like a lot of things around you?
5. Open kitchen or closed kitchen? Which one do you have?

6. Real plants or fake ones? Which do you have more of?
7. Natural light or lamps? Which do you like better?
8. If you could change one thing about your place for free, what would it be?

Decluttering

1. How often do you clean out your stuff, and what is the hardest thing to let go of?
2. Do you stock up during sales? What do you end up with?
3. What do you think of danshari — letting go of what you don't need?
4. What is something you keep but never use?
5. What do you do with things you don't want anymore: sell them, give them away, or keep them in a box?
6. Does having less stuff make you feel better, or does it feel like a loss?

Location and Neighbors

1. How important is location when you pick a place? What matters most: commute, subway, or shops?
2. How is the property management where you live? Any good or bad stories?
3. Do you know your neighbors? Do you talk to them?
4. What is within walking distance of your home?
5. What would you fix about your building if you could?

What Home Means

1. What does the word "home" mean to you?
2. Does a person need to own a house to feel settled?
3. Could you rent forever and be happy, or do you want to buy?
4. Is home a place, or the people you are with? Which one is it for you?
5. What would your dream home look like — big, small, in the city, or by the water?
