

Different Types of Travel

Travel Types

Travel Type	Advantages	Disadvantages	Things to Think About	Key Features
Solo Travel 独自旅行	Complete freedom, self-discovery, easy to change plans	Can feel lonely, safety worries, no one to share costs	Personal safety, route planning, accommodation	Flexible schedule, self-reliance
Group Travel 结伴出游	Social fun, shared costs, safety in numbers	Less flexibility, plan conflicts, schedule clashes	Group budget, who decides what, splitting bills	Shared experiences, group photos
Family Trip 亲子游	Family bonding, kid-friendly fun, shared memories	Higher cost, must match kids' pace, harder to rest	Child age range, nap time, snacks and stroller	Theme parks, aquariums, zoos
High-Speed Rail Trip 高铁自由行	Fast and comfortable, city center to city center, book on 12306	Holiday tickets sell out fast, needs early planning	Booking window, seat class, luggage size	Three-day weekend trips like Shanghai to Hangzhou
Package Tour 跟团游	Everything arranged, low group price, no planning stress	Tight schedule, forced shopping stops, little free time	Group size, shopping stops, extra fees	Fixed itinerary led by a guide
DIY Trip 自由行	Full freedom, own pace, deeper local experience	Heavy planning, higher cost, language barrier abroad	Booking apps, local transport, travel insurance	Self-planned route, flexible daily plan
Road Trip 自驾游	Flexible stops, great with family, luggage freedom	Long driving hours, holiday traffic jams, parking trouble	Free-toll holiday traffic, driver fatigue, car checks	Scenic highways, spontaneous stops
Budget Backpacking 穷游	Very cheap, immersive, easy to meet people	Hostels and hard seats, limited comfort, safety care	Daily budget, hostel safety, overnight trains	Hostels, hard sleepers, street food
Whirlwind Travel 特种兵旅游	See many cities fast, low cost, exciting	Exhausting, little sleep, shallow experience	Tight schedule, stamina, overnight trains	Many cities in a few days, fast check-ins
Reverse Travel 反向旅游	Fewer crowds, lower prices, calm small towns	Fewer services, less to do, longer travel time	Local transport, food options, opening hours	Small cities off the hot list

Travel Type	Advantages	Disadvantages	Things to Think About	Key Features
Citywalk 城市漫步	Cheap, relaxing, discover local life	Weather-dependent, needs a good route	Route planning, comfy shoes, coffee stops	Walking routes through old streets and markets
Camping and Glamping 露营	Close to nature, group fun, budget-friendly	Weather risk, heavy gear, fewer facilities	Site booking, weather, gear and safety	Tents, BBQ, lakeside or mountain camps
Outbound Trip 出境游	New cultures, shopping, visa-free choices	Costly, passport and visa steps, language barrier	Visa or visa-free rules, eSIM and payment apps	Visa-free spots like Thailand and Malaysia
Food Trip 美食游	Famous local dishes, fun and social	Long queues, hard to book popular spots	Peak hours, queue times, food allergies	Trips built around one trending dish
Check-in Trip 打卡游	Photos for social media, trendy spots, easy ideas	Crowded photo spots, rushed, can feel shallow	Best photo times, crowd levels, phone battery	Hot spots from Xiaohongshu and Douyin
Hometown Trip 探亲返乡	See family, familiar food, lower cost	Spring Festival crowds, ticket scramble, long rides	Ticket release time, seat type, gifts to bring	Spring Festival travel rush
Business Trip 商务出差	Company pays, see new cities, networking	Stressful, little free time, work-life balance	Reimbursement rules, schedule, jet lag	Meetings, conferences, client visits
Honeymoon Trip 蜜月游	Romantic, relaxing, once-in-a-lifetime	Expensive, holiday crowds, hard to book	Budget, season, hotel quality	Beach resorts, island trips, romantic dinners
Slow Travel 康养慢游	Rest and health, calm pace, good for parents	Costly, needs a long stay	Health needs, season and climate, budget	Hot springs, mountain retreats, slow mornings
Study Tour 研学游	Learning plus fun, kids' growth, family time	Expensive, strict schedule, safety concerns	Program quality, safety, kid interest	Museums, science camps, university visits

Discussion

How many types can you think of? Which one is your favorite and least favorite?
