Career

Personality and Fit

1. Which fits you best: realistic, investigative, artistic, or social?
2. Would you rather lead a team or solve problems on your own?
3. Do you like hands-on work with machines, or work with ideas and people?
4. Are you detail-oriented, or do you care more about the big picture?
5. What kind of work makes you lose track of time?
6. Do you prefer a fixed routine, or a job where every day is different?
7. Is your job a good fit for your personality? Why?

Your Job

1. What do you do for work? What are your main responsibilities?
2. What does a normal workday look like, from first email to last?
3. What do you enjoy most about your job?
4. What is the hardest part of your job, and how do you handle it?
5. What do people usually get wrong about what you do?
6. What is one small thing at work that makes your day better?
7. How would you describe your job to a friend in one minute?

Your Path

1. What job did you want when you first started working? Did you get it?
2. How did you end up in the career you are in now?
3. Was your first job a good start, or a mistake? Why?
4. Is your job what you expected? What surprised you most?
5. Have you ever changed jobs? What made you decide to leave?
6. Who helped you most when you were choosing your path?

Skills and Growth

1. Which skills matter most in your line of work?
2. What is one skill you had to learn the hard way?
3. Are you learning anything new for work right now?
4. Is it harder to learn new things as you get older? Why?
5. Would you take a course if your company paid for it?
6. What would you study if you had a free year?
7. Do you learn more from a mentor, a course, or by doing?

Money and Success

1. Is a high salary the most important thing in a job? Why?
2. Would you take a lower-paid job you love over one you hate?
3. How do you decide when it is time to ask for a raise?
4. What does "success" mean to you in your career?
5. Have you ever been promoted? How did it change your work?
6. Is it better to be a specialist or a generalist today?
7. What would make you quit a job tomorrow?

Looking Ahead

1. What are your long-term career goals?
2. Where do you see yourself in five years?
3. How do you think your job will change in ten years?
4. Could AI take over part of your job? Which part?
5. What advice would you give someone starting in your field?
6. If you could start over, would you choose a different career?
