Job Flexibility

What Flexible Means

1. What does a "flexible job" mean to you? Is your job flexible?
2. Which jobs are usually more flexible than others? Why?
3. What are the good and bad sides of a flexible job?
4. Sales, doctors, or teachers — which job is more flexible? Why?
5. Does a flexible job mean fewer hours, or just different hours?
6. Can a small company give its staff flexible hours? Why or why not?
7. Would you rather choose your hours or your workplace? Why?

Office, Home, or Hybrid

1. Do you prefer working in an office or at home? Why?
2. What do you think of hybrid work — three days in, two days home?
3. When you work from home, how do you stop phone and TV distractions?
4. Who in a company can never work from home? Why not?
5. Do you work better in a quiet room or with people around you?
6. What do you miss most when you work from home for a whole week?
7. Is it fair that office staff get to work from home but factory staff cannot?

Boundaries and Burnout

1. How has the "always-on" culture changed the way people work?
2. Do you check work messages after hours? Why or why not?
3. Have you ever felt burned out because work and home life mixed?
4. If work and home are in the same room, when does your day end?
5. Do you turn off notifications at night, or keep them on?

6. Is it rude to message a colleague at 11 p.m.? Why?

7. What is one rule you set to protect your evenings?

Money and Choice

1. Is flexibility more important to you than a higher salary?

2. When would you accept a job with no flexibility at all?

3. Should a company pay people less if they work from home?

4. Would you take a pay cut for a four-day week? Why?

5. Which matters more to you: free time or a bigger paycheck?

6. How much of your salary would you trade for full remote work?

Temp and Side Gigs

1. Have you or a friend ever done a temporary job? Why do people do it?

2. How do people find temp work — friends, apps, or agencies?

3. What is the difference between part-time, full-time, and a side gig?

4. Which of the three would you choose, and why?

5. Is a side gig a good idea, or does it just mean less rest?

6. Have you ever seen a temp worker treated badly at a company?

7. Would you do a temp job while looking for a full-time one?

The Future of Work

1. In ten years, will more people work from home? Who won't?

2. Will flexible work grow, or will companies pull people back in?

3. Could AI and better tools make every job flexible?

4. Would you like to work from another city or another country?

5. Which job of the future will be the most flexible?

6. Do you think your children will work a normal 9-to-5?
