Discussion

Do you have a pet? Tell your partner about it.

How much does a pet cost each month, food and vet bills included?

What would you do with your pet if you had to travel for a month?

Would you rather adopt a stray or buy one from a pet store?

Why do people watch cat videos when they don't even have a cat?

Have you ever seen someone walk a dog without a leash?

What are the rules about dogs in your neighborhood?

How much should people spend on pet care?

Would you let your pet sleep on your bed? Why or why not?

Should pet owners treat their pets like children?

What do you think of pets wearing clothes or having dyed fur?

Have you ever taken a pet to the vet? What happened?

Do you know anyone who brings a pet on the subway or a train?

How should cities deal with stray cats and dogs?

Are zoos good or cruel for animals?

What is your favorite animal, and why?

Which animals make the best pets? Why?

If you could be any animal, which one would you be?

Would an animal-welfare label change what you buy?

Some people let their dog lick their face. What do you think?

What are your responsibilities if you keep a pet?

Why are some animals endangered, and what can we do?

Would you keep an unusual pet, like a reptile or a bird?

What makes humans different from animals?
