Discussion

How often do you use social media? Which app do you use most, and what for?

What kind of accounts do you follow — art, sports, fashion, or cute animals?

Do you know anyone who is addicted to social media?

Do you think social media can be dangerous? Give a real example.

Have you ever met in person someone you first met online?

Is social media good or bad for a person's self-esteem?

What is the most annoying thing to you on social media?

Which app do you think will lose popularity soon, and why?

Can you make real friends on social media? What makes a real friend?

Do you have family members on social media? Anyone you do not add?

How has your own social media use changed over the years?

How old should children be before they can use social media?

Can social media teach you anything useful? Give an example.

Do you prefer posting your own content or watching other people's?

Is it easy or hard to gain followers? What is the fastest way?

Do you follow celebrities? Do you buy what they recommend?

How much time do you spend on social media in a day? Is it too much?

Have you ever deleted an app for a while? How did you feel?

Would you ever take a break from social media for a month?

What would you miss most if social media disappeared tomorrow?
