Love is a Mystery

Love and Crushes

1. Do you believe in love at first sight? Have you ever felt it?
2. What do you consider really romantic — a gift, or a homemade meal?
3. What is your idea of a perfect date?
4. Who asked whom out on your first date? How did it happen?
5. Do you believe in soulmates? Why or why not?
6. How does a "like" online turn into a real crush?
7. Have you ever liked someone your friends did not approve of?

What Matters in a Partner

1. What is the most important quality in a romantic partner?
2. How important is physical attractiveness to you? Be honest.
3. Do partners need to share hobbies and interests? Why or why not?
4. Does age matter in a relationship? What about height or income?
5. Would you date someone your parents did not like?
6. Is friendship or romantic love more important to you?
7. What would you never accept in a partner?

Staying Together

1. How do you handle a disagreement with your partner?
2. What is the best relationship advice you have ever heard?
3. What do you do to keep a long-term relationship fresh?
4. Is it okay to keep some things private from your partner?
5. Who should pay on a date — the man, the woman, or split it?

6. What small habits keep a couple happy over the years?
7. What makes a couple break up after years together?

Distance and Timing

1. Can long-distance relationships work? Have you tried one?
2. How do you stay close to a partner who lives in another city?
3. Is it better to be single or in a relationship? Why?
4. Should people marry young, or wait until later? Why?
5. What do you think of blind dates set up by family?
6. Does a busy job ever get in the way of a relationship?
7. Would you move cities for the person you love?

Online Dating

1. What are the good and bad points of dating apps?
2. Which dating apps are popular in China right now?
3. How do you know if someone is lying in their profile?
4. Is it safe to meet an online date in person? How do you stay safe?
5. Have you ever heard of a dating scam? What happened?
6. Has online dating made love easier or more complicated?
7. Could you fall in love with someone you only met online?

When Love Ends

1. How do you get over a breakup? What helps the most?
2. Are you still friends with any of your exes?
3. What is a red flag you would not ignore again?
4. Is it ever worth getting back together with an ex?
5. How do you tell someone you are not interested anymore?
6. What did your last relationship teach you about yourself?
