Maslow's Hierarchy of Needs

Physiological Needs

1. What do you usually eat on a normal day — home cooking or takeout?
2. Is your diet healthy? Do you worry about food safety?
3. Do you cook for yourself, or does someone cook for you?
4. Do you try to save water or sort your rubbish at home? Why?
5. What are the pros and cons of buying a flat versus renting one?
6. When do you go to bed? Do you often stay up late on your phone?
7. Do you want children one day? Do you think people need them?

Safety Needs

1. Do you ever worry about losing your job? What would you do if you did?
2. What small habits keep your body and mind healthy?
3. Do you feel safe walking home alone at night in your city?
4. Where do you keep your savings — the bank, a fund, or a phone app?
5. Have you ever tried a risky investment, like stocks or crypto?
6. Is your home safe from fire or theft? What do you do about it?
7. Do you have health insurance? Is it worth the money?

Love and Belonging

1. Who do you call first when you feel sad or upset? Why that person?
2. Do you like meeting new people, or does it make you nervous?
3. Do you ever feel lonely even when you are around other people?
4. What is the good side of time alone? What about time with others?
5. Who matters most to you — your parents, your friends, or your partner?

6. Who would you ask for help if you were sick for a whole week?
7. Do you belong to any group or club? How does that feel?

Esteem Needs

1. When did you last feel really proud of something you did?
2. How do you feel when someone says you did a good job?
3. Which new skill would make you feel more confident? Why?
4. Do you need praise from others, or can you praise yourself?
5. How do you deal with criticism or negative comments?
6. Do you compare yourself with others online? How does it feel?
7. What does success mean to you — money, respect, or something else?

Self-Actualization

1. What kind of person do you hope to become in ten years?
2. How do you set small goals to improve yourself? Do they work?
3. Do you need many hobbies to enjoy life, or just one or two?
4. How are you different from who you were ten years ago?
5. Is there something you want to learn that has nothing to do with work?
6. What would you do with your life if money were not a problem?
7. Do you feel you are growing, or just getting through each day?

Looking at the Pyramid

1. Do you agree with the order of this pyramid? Which level matters most?
2. Can a person be happy without money or a safe home?
3. Which level do you think most people in your city are stuck on?
4. Is love or respect harder to find in modern life?
5. Does chasing the top of the pyramid ever make us unhappy?
6. What is one thing you would put at the bottom of your own pyramid?
